

Invitation

Aim of the conference:

Increasing globalisation, tightening competition, developing new technologies and the changing requirements of clients are some of the aspects which change the deeply rooted theories and shift the best practices in human resource management of many organizations. The main aim of the conference is to bring together experts from the field of human resource management to discuss new trends in theories and practice, share different socioeconomic approaches in order to come up with new topics and opportunities for basic and applied research. The conference will be a great opportunity to share experience, make new contacts and foster cooperation between people with positive thinking and common interests.

Conference venue:

Masarykova kolej, Thákurova 1, 160 00 Prague 6,
Czech Republic

Conference publication:

Peer reviewed conference journal

Conference language:

English, Czech, Slovak

Language of papers:

English

Conference fee:

EUR 80
